SOUTH TEXAS BEHAVIORAL HEALTH CENTER

2102 W. Trenton, Edinburg, Texas 78539

Phone: 1.888.977.1400
1.956.388.1300

Website:

www.southtexasbehavioralhealthcenter.com

Hours:

Open 24 hours a day, 365 days a year

Services Provided:

South Texas Behavioral Health Center offers exceptional behavioral health care programs and treatment services for children, adolescents, adults and older adults in both inpatient and outpatient settings.

Our treatment approach is multidisciplinary and individualized, and a team of professionals, led by highly qualified, experienced psychiatrists, treats each person at South Texas Behavioral Health Center.

Admissions Process:

Admissions Process: South Texas Behavioral Health Center has an Assessment & Referral team available 24/7 to meet the needs of our referral sources. This team is available anytime to answer your questions.

To contact our Assessment & Referral team **please contact the hospital at 1-888-977-1400 and ask for INTAKE.**

PROGRAMS:

Kid's early Discovery Treatment Program

The Kid's Early Discovery Treatment Program at South Texas Behavioral Health Center treats children ages 3-12 and focuses on early detection and intervention of behavioral health issues. Children learn ways of coping and parents learn to guide them.

Program Features:

- Specialized program focus
- Behavior management
- Enhancement of interpersonal communication
- Management of symptoms, such as ADHD, anger, depression, and poor impulse control
- Recreational therapy
- Comprehensive discharge planning

Teen Discovery Treatment Program

The Teen Discovery Treatment Program, for adolescents age 13-17, assists in exploring positive options that lead to positive choices for teens.

Program Features:

- Dedication program focus
- Managing anger
- Improving coping skills
- Enhancing relationships

- Treating depression, severe mood swings, self-mutilation tendencies, defiant behavior, chemical dependency, thoughts of self-harm or harm to others, and aggression
- Recreational therapy
- Comprehensive discharge planning

Better Living Treatment Program

The Better living Treatment Program provides the reinforcement needed for adults age 18 and older to make sensible choices.

Program features:

- Distinct program focus
- Coping with depression
- Managing anger
- Enhancing relationships
- Balancing severe mood swings
- Complying with medication
- Chemical dependency detoxification
- Treating depression, thoughts of self-harm or harm to others and self-mutilation tendencies
- Comprehensive discharge planning

CARE PLUS Treatment Program

The Care Plus Treatment Program focuses on providing senior adults age 55 and older and other individuals a more focused and personalized treatment, including the management of minor medical issues.

Program features:

- Skilled program focus
- Increase effective coping of physical and emotional limitations
- Address medical link between medical and emotional conditions
- Provide medication education
- Manage symptoms of confusion, aggression, depression and memory loss
- Comprehensive discharge planning

Adult INTENSIVE OUTPATIENT Treatment Program

Not everyone requiring mental health services needs an inpatient setting. South Texas Behavioral Health Center offers outpatient services to adults 18 and over who have been experiencing ongoing symptoms of depression, anxiety or other emotional problems that significantly impact their ability to carry out their usual day to day activities. Our Intensive Outpatient Program includes Group Therapy Sessions.

Group Topics may include:

- Coping with Depression and Anxiety
- Stress and Anger Management
- Communication Skills
- Socializations Skills
- Relaxation Skills

The program is conducted while the patient continues to work and live at home. Schedule is 9 a.m. – 1 p.m. Monday thru Friday

Lunch provided

Placement is determined through a free assessment, which reveals the individual needs of each client.

To schedule a free assessment, call us at (888) 977-1400 or contact us online.

Website: www.southtexasbehavioralhealthcenter.com

Fees:

We are proud to accept Medicare, Medicaid, CHIP, and most private insurances.

To determine if we are able to accept your specific insurance plan, call us at (888) 977-1400 or go online at www.southtexasbehavioralhealthcenter.com

Office: 956.794.3105
Email: JacquelineG@borderregion.org
Website: www.borderregion.org

Hours:

Monday – Friday 8:00 am to 5:00 pm

Services Provided:

MCOT (Mobile Crisis Outreach Team) – MCOT is a group of trained mental health professionals that provide daytime outreach services to individuals who are experiencing a mental health crisis. These services are provided in a variety of community and clinical settings to ensure prompt attention to the situation. MCOT provides coordination of services that will lead to effective stabilization and treatment in the least restrictive environment. MCOT also provides a 24 – hour follow – up service to provide monitoring for individuals who have received crisis services and have returned to their home environment.

Crisis Respite Services – These voluntary services are for individuals who may require a more structured environment to assist with stabilization.

Crisis Services (walk-in) – Any individual who arrives at the agency will be provided with an assessment to determine what services are appropriate for the individual, which can include crisis services.

Credentials:

Qualified Mental Health Professionals

Fees:

None

Asst. Program Administrator
Office: 956.794.3225
Fax: 956.794.3105
E-mail: bridgetv@borderregion.org
Website: www.borderregion.org

Hours:

Monday – Friday 8:00 am to 5:00 pm

Services Provided:

The Adult Behavioral Health Services Unit provides an array of services to adults 18 years of age or older who suffer from schizophrenia, bipolar disorders, severe major depression or any other severely disabling mental disorders which require support and treatment.

Screening – An activity performed by a Qualified Mental Health Professional to gather triage information through a face-to-face or telephone interview to determine the need for an in-depth assessment.

Intake and Assessment – A mental health evaluation is conducted for all adult individuals who were screened and who are seeking mental health services. Clinicians will complete the Uniform Assessment to determine if the individual is eligible for a Level of Care.

Referrals- Based upon the assessment, the array of referrals may be made to outside agencies.

Credentials:

Bachelor and Master level employees

Fees:

All fees for services are charged according to a sliding scale based upon the family income and size. Inability to pay will NOT exclude an individual from receiving services.

Fax: 956.794.3381
E-mail: danielao@borderregion.org
Website: www.borderregion.org

Office Hours:

Monday – Friday 8:00 am to 5:00 pm

Services Provided:

The Tobacco Cessation Program includes individual and group sessions for adults. It offers FREE Nicotine Replacement Therapy (NRT), which provides patches and gum. Program also includes tobacco education and applies evidence-based interventions targeted at the cessation of tobacco use. At every session the participant CO levels are measured. Utilizing a carbon monoxide monitor it instantly and non-invasively measures the amount of CO on a smoker's breath and for the Tobacco Cessation Specialist it is a way to biochemically establish smoking status. For the smokers themselves the monitoring device and scale is a motivational visual aid.

The Tobacco Cessation program at BRBHC can help individuals learn how to quit any kind of tobacco use.

Credentials:

Certified Tobacco Cessation Specialist; under the supervision of the Director of Substance Use Services

Fees:

All fees for services are charged according to a sliding scale based upon the family income and size. Inability to pay will NOT exclude an individual from receiving services. (Only for Border Region Consumers)

E-mail: selinav@borderregion.org

Website: www.borderregion.org

Office Hours:

Monday – Friday 8:00 am to 5:00 pm

Services Provided:

The Outpatient Treatment for Co-Occurring Disorders provides individual or group counseling to adult individuals with a substance use and mental health disorder to support and empower consumers to define and achieve their individual goals.

Services are gender specific, trauma-informed, and evidence based.

Individual counseling emphasizes on reducing or preventing the continuation of substance use, monitoring of MH services, skill building, adherence to a recovery

plan, and work toward positive social, family, and professional/educational outcomes. Group counseling is used in addition to individual counseling to allow consumers to develop a peer network. Participants, counselors, and their support system work very closely with adjunct services provided by the adult behavioral health unit at Border Region Behavioral Health.

Counselors provide a variety of services to people in treatment for their co-occurring disorders including screening, assessment, case management, integrated treatment planning, discharge planning, crisis intervention, continuum of care planning, and counseling.

Credentials:

Licensed Chemical Dependency Counselor (LCDC), Licensed Professional Counselors, and Counselor Interns; under the supervision of the Director of Substance Use Services

Fees:

All fees for services are charged according to a sliding scale based upon the family income and size. Inability to pay will NOT exclude an individual from receiving services. (Only for Border Region Consumers)
