

The Health Department currently holds two Rabies clinics every month. The first clinic is the first Wednesday of each month at 2200 Zacatecas from 7:00 p.m. to 8:00 p.m. and the second clinic is held every third Wednesday of each month at the Health Department from 7:00 to 8:00 pm.

September the 1st will be the first Wednesday of the month and the clinic is schedule at 2200 Zacatecas the old Health Department WIC Clinic.

September the 15th will be the third Wednesday of the month and the clinic is schedule at 2600 Cedar at the Health Department.

The cost for pet rabies vaccination is 12 dollars, and all vaccines are administered by Sandra Leyendecker D.V.M.

The city of Laredo is considered an endemic area for rabies, owners must be conscious of how important it is for them to vaccinate and protect not only their pets but also our community.
